WELCOME ABOARD SMALL SHIP LUXURY & "THE FINEST CUISINE AT SEA"

If you're in search of an exquisite dining experience, immersive destination adventures, and an intimate atmosphere aboard a smaller ship, then Oceania Cruises is the perfect choice for you! This cruise line caters to seasoned travellers who appreciate a refined, adult-oriented holiday, devoid of the excessive formality and crowded conditions often found on larger vessels.

With Travel Solutions, we provide all-encompassing Oceania Cruise travel packages designed to meet your every need. Our thoughtfully crafted packages take care of all travel arrangements, including flights that effortlessly connect you to your cruise departure location, along with your luggage allowance, and, of course, the cruise itself. Additionally, if you wish to extend your stay, we can organize pre- and post-cruise nights to enhance your experience at the departure destination. **This brochure features a small collection of what we offer, for more itineraries please contact us.**

CULINARY EXCELLENCE

Oceania is famous for its culinary program, promoting "The Finest Cuisine at Sea" with a high chef-to-passenger ratio. Key features include: complimentary specialty dining at various high-quality restaurants, gourmet menus curated by Master Chef Jacques Pépin, plus options like specialty coffees and gourmet ice cream, and enrichment programs, including hands-on cooking classes and Culinary Discovery Tours on select ships.

DESTINATION-FOCUSED ITINERARIES

Oceania's smaller ships access boutique ports unavailable to larger vessels, enabling diverse itineraries. The cruise line features: lengthy port stays for extended exploration, overnight and late evening departures, and curated shore excursions focused on local history, culture, or food and wine.

INTIMATE AND REFINED AMBIANCE

Oceania's fleet includes smaller luxury ships for an intimate atmosphere. Key features are: relaxed, sophisticated vibe with a "resort casual" dress code, fewer passengers (670 to 1,250) for a more relaxed pace and no long lines, and upscale interiors with residential-style decor and stylish public spaces, including libraries designed by Ralph Lauren Home on select vessels.

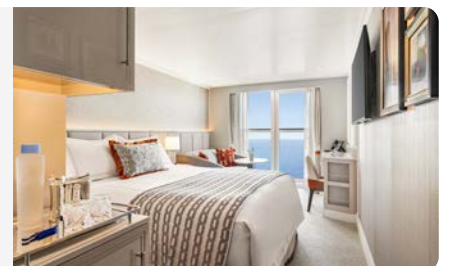

HIGH-VALUE INCLUSIONS

Oceania provides a premium experience with several inclusions and optional add-ons. Key features include: "Your World Included" program: unlimited Wi-Fi, gratuities, specialty dining, and non-alcoholic beverages, optional packages for additional perks like beverage packages and shore excursions, and complimentary self-service laundry facilities for all passengers.

EXCEPTIONAL SERVICE AND ACCOMMODATIONS

Oceania offers a high staff-to-guest ratio for personalized service, with a warm crew that anticipates guests' needs and provides 24-hour butler service in penthouse suites and above. Staterooms feature designer furnishings and "Tranquility Beds." Guests in Concierge Level and above enjoy added perks like free laundry, welcome amenities, and access to an exclusive lounge.
